

HAWKER ACT 2614
23rd July, 2009

Mr Mick Gentleman MLA,
Standing Committee on Planning and Environment Chair,
ACT Legislative Assembly,
GPO Box 1020,
CANBERRA ACT 2601

Dear Mick,

We are writing to voice our strong objection to the Central Molonglo urban development which we wish to be excluded forever.

This is an unspoilt reserve which should which should be left as it is in order to protect threatened flora and fauna species which are native to the area.

We need to protect the lower Molonglo River corridor from flooding for an artificial lake and maintain the existing rural and bush landscape scenery and backdrops.

This area is a favourite recreational reserve for hundreds of bushwalkers, joggers and people who simply want to enjoy the lovely bush scenery of our "National Bush Capital".

I do hope you will carefully consider our submission.

Yours sincerely,
Graham and Betty Hedgecoe.
