Legislative Assembly for the ACT

Canberra ACT 2601

Dear Dr Jaireth

Thank you for providing Canberra Urban Parks and Places with the opportunity to comment on the *Draft Variation to the Territory Plan No. 236: City West – Commercial A Civic Centre Land Use Policies, Exemption of Preliminary Assessment and Part D – Definitions*.

Canberra Urban Parks and Places (CUPP) have no concerns with this draft variation and acknowledge that there will be an increase in the area that CUPP manages. This area of urban open space will need to be developed to a very high quality to fit with the surrounding area, and CUPP would need a commensurate increase in ongoing funding to maintain such an area of urban open space.

Yours sincerely

Russell Watkinson
