

Legislative Assembly for the Australian Capital Territory

1 December 2009

Erratum – ACT Legislative Assembly Annual Report 2008/2009

- p 82 Figures on waste volumes to be disregarded, as data are for a three month period only (except with respect to paper purchased which is correct 12 month amount).
- p 83 Greenhouse Gas Intensities - second and third rows should be labelled "Total emissions per office area" and "Total emissions per total area" as data include fleet emissions in addition to gas and electricity.

A handwritten signature in black ink, appearing to read "Tom Duncan", is positioned above the printed name.

Tom Duncan
Clerk

/ December 2009
