ACT Legislative Assembly

CANBERRA ACT 2601

Dear Mr ~~Smyth~~ *Brendan*

I refer to the question on notice E15-237 following the 2015-16 Estimates Hearings around sport participation in the ACT.

Sport and Recreation Services are in the process of compiling the information in response to this question.

In relation to point 3 & 4 of the question, Mr Doszpot has requested that details for all ACT Government assets be provided, not just Sport and Recreation Services owned and managed assets. Sport and Recreation Services are seeking input from Education and Training Directorate, Community Services Directorate, Territory and Municipal Services Directorate and Economic Development (in the Chief Minister and Economic Development Directorate) for the additional information held by those agencies.

Due to the scope of this question and the input required from other directorates, this process is taking some time to finalise. Every effort will be made to provide the responses, however due to the extent of the question, some information may not be available and could be considered an unreasonable diversion of resources.

I will endeavour to have the response to you as soon as possible.

Yours sincerely

Shane Rattenbury MLA
Minister for Sport and Recreation
