Subject: Inquiry into Billboards

Dear Committee,

Please ban all billboards and advertising in the ACT. There is no requirement for it. It is not in the public interest. I would rather pay higher taxes than have billboards. Already with bus stand advertising, there is too much. Canberra is a uniquely beautiful global city that in recent years has been slowly and tragically turning into another generic concrete jungle. An introduction of billboards is just another step along the slippery path where I feel can never be turned back on. You should be listening to constituents only, not corporate vested interests who you have no mandate to represent.

I would be happy to discuss my views with anyone further.

Matthew Clark
