21 FEB 2018	
MEMO No 48	Clerk
Paper No 44	

Ms Mary Porter AM MLA
Member for Ginninderra
ACT Legislative Assembly
London Circuit
CANBERRA ACT 2601

Dear Ms Porter *MARY*

Thank you for your letter of 20 May 2015 and follow up email of 4 June 2015, on behalf of your constituent about the safety of the intersection of Tillyard Drive and Ginninderra Drive in Charnwood. I am responding to you as this matter falls within my Roads and Parking portfolio.

I am advised by Roads ACT that the latest available crash data shows that in 2015 there have been three reported crashes at the intersection of Tillyard Drive and Ginninderra Drive.

This intersection was upgraded in 2011 as part of the Federal Black Spot Program. Improvements to the intersection consisted of modified traffic islands, upgraded road signage, additional linemarking and street lighting works to the total value of \$166,000.

Roads ACT is currently collating data necessary to evaluate the impact of the works carried out in 2011, and if necessary will investigate further improvements to this intersection. I have asked Roads ACT to consider your constituent's concerns and the suggestion for improvements as part of this evaluation. The evaluation of this intersection is due for completion in early 2016.

Thank you for raising this matter. I trust this information is of assistance.

Yours sincerely

MG
Mick Gentleman MLA
Minister for Roads and Parking
