PRIVATE MEMBERS’ BUSINESS

Notice

1 MISS C. BURCH: To move—That this Assembly:

(1) notes that:

(a) young Canberrans commute to and from places of employment late in the evening and early in the morning, particularly those who are shift-workers and those employed in the hospitality and trades industries;

(b) there are few other safe transport options available at these times of day, and a curfew on P-plater drivers may prevent many young Canberrans from working;

(c) an exemption process would be costly, bureaucratic, and confusing, and would place an unfair burden on responsible P-platers;

(d) the ACT Government advocates assigning a designated driver when heading out for an event or a night on the town. P-plater drivers are often relied upon as designated drivers right across Canberra;

(e) peer passenger restrictions would prevent P-platers from acting as designated drivers, and would place an unfair burden on many families;

(f) the “What We Heard” survey reported that 50 percent of respondents either disagreed or strongly disagreed with restrictions on first year P-platers from driving between midnight and 5 am;

(g) accident statistics show that over 66 percent of P-plater deaths on ACT roads took place outside of the proposed curfew hours. In 2016, only 2 percent of all crashes, and 20 percent of fatal crashes occurred between the hours of midnight and 5 am; and
(2) calls on the Minister for Justice, Consumer Affairs and Road Safety to categorically rule out:

(a) the implementation of a 12am-5am curfew for P-plater drivers, as this would significantly impact the ability of young Canberrans to participate in employment, and is not supported by accident statistics; and

(b) the implementation of passenger restrictions for P-plater drivers.

(Notice given 13 August 2018. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A).
