ANSWER TO QUESTION TAKEN ON NOTICE
5 November 2018

Asked by MR COE MLA:

In relation the light rail project:

> MR COE: Yes, okay. And so when were you first advised that the project was running late?
>
> Mr Nicol: I would have to take on notice the exact timing of the sequence of events. It has only been very recently that the project owner, the contractor, has informed us that the project will now likely start in the new year rather than this year, but I can take on notice the exact date that that information was communicated to us.

TREASURER: The answer to the Member's question is as follows:–

Canberra Metro first indicated that rail operations would not commence this year on 23 October 2018, and confirmed that indication on 24 October 2018.

Approved for circulation to the Standing Committee on Economic Development and Tourism
