**ANSWER TO QUESTION ON NOTICE**

Asked by Miss Candice Burch MLA:

Annual Report 2017-18, Transport Canberra and City Services Directorate, Transport,  
Output Class 1: Transport Canberra

In relation to: Bicycle infrastructure

The Transport Canberra Bike & Ride Map indicates that bike lockers are available at the Gungahlin Marketplace stop in Hibberson Street. However, these bike lockers appear to have been removed and not replaced.

1. When and why were the bike lockers removed from the Gungahlin Marketplace stop?
2. What alternatives for secure bike storage are available at the Gungahlin Marketplace stop?
3. Will new bike lockers be installed at the Gungahlin Marketplace stop?
  - a. If so, how many bike lockers will be installed, and when will this be completed?

**Meegan Fitzharris MLA: The answer to the Member's question is as follows:–**

1. Prior to the 2015 Gungahlin Marketplace expansion, the Gungahlin Town Centre had two publically-accessible secure bicycle parking facilities. As a result of redevelopments in Gungahlin including, the Marketplace expansion, the two bicycle parking lockers were removed.
2. Following the recent upgrades, a number of new bike racks are available on Hibberson Street and near the bus station for cyclists to lock their bikes to. In addition to these, the new Gungahlin marketplace car park provides an additional 36 secure bike parking spots for visitors and another 22 for staff.
3. TCCS is currently investigating where any additional secure park-and-ride and bike-and-ride facilities can be provided and upgraded across the Territory, including the Gungahlin Town Centre and District.
