2 **MS LEE:** To move—That this Assembly:

(1) notes that:
   (a) Government school visits by MLAs serve a valuable purpose in increasing an MLA’s knowledge of the ACT school system and developing an appreciation of the talent and enthusiasm of students and teachers in ACT schools;
   (b) recent publicity has highlighted the difficult arrangements that surround MLAs accepting invitations from government schools to attend activities and events at their school;

PRIVATE MEMBERS’ BUSINESS

Notices

1 MR PARTON: To move—that this Assembly:

(1) notes:

(a) the Canberra Liberals commitment to reducing cost of living through providing more affordable rentals in Canberra;

(b) that the Liberal Opposition presented a bill aimed at providing more affordable rental in Canberra;

(c) the Speakers ruling that the bill is out of order in accordance with standing orders; and

(d) Labor and the Greens have failed to take firm steps to reduce the burden of housing stress in Canberra; and

(2) calls on the ACT Government to:

(a) legislate to provide a land tax exemption as outlined in the Land Tax (Community Housing Exemption) Amendment Bill 2018 presented to
the Assembly on 19 September 2018 in order to provide more affordable rentals in Canberra. *(Notice given 23 October 2018. Notice will be removed from the Notice Paper unless called on this sitting week – standing order 125A).*

2 **MISS C BURCH: To move—** That this Assembly:

(1) notes that:

(a) as of November 2018, the ACT Government is yet to release the 2019 bus timetable;

(b) without access to the proposed timetable, it is nearly impossible to ascertain the impact of the new network on commuters or for the community to provide genuine feedback in the consultation process;

(c) the ACT Government has also not given an indicative commencement date for the 2019 bus network and timetable;

(d) this uncertainty regarding the start date of the new network and timetable will cause inconvenience to students, parents and schools who need to make arrangements for the 2019 school year;

(e) given that 50 schools will have no dedicated school buses, this uncertainty will also disproportionately impact those who must solely rely on the new network to get to and from school; and

(f) there is strong dissatisfaction in the community regarding the ACT Government’s inaction on releasing the commencement date for the 2019 bus timetable and network; and

(2) calls on Minister Fitzharris to:

(a) explain the reasons why the 2019 bus timetable has yet to be released;

(b) explain why the Minister thinks it is appropriate to leave thousands of parents and students, as well as Canberra schools, in the dark regarding these changes, causing inconvenience and uncertainty going into the 2019 school year; and

(c) indicate a definitive commencement date in 2019 for the new network and timetable by 7 December 2018. *(Notice given 26 November 2018. Notice will be removed from the Notice Paper unless called on within 3 sitting weeks – standing order 125A).*

3 **MR PETTERSSON: To move—** That this Assembly:

(1) notes:

(a) the tertiary education and research sector plays an integral role in the ACT’s economy;

(b) a recent study by Deloitte Access Economics found that the tertiary education (which for the purposes of the study included technical and further education (TAFE)) and research sector contributes $3.3 billion and 20 000 full-time equivalent jobs to the ACT economy which
equates to approximately nine percent of the ACT economy and workforce;

(c) a critical part of this sector is the Vocational Education and Training (VET) system;

(d) a properly funded VET system is crucial to ensuring that Canberrans have the skills they need to participate in the labour market which in turn supports our growing city and economy;

(e) the ACT Government acted decisively and successfully negotiated an agreement with the Commonwealth under the National Partnership on the Skilling Australians Fund ensuring the Territory will receive approximately $20 million over the next four years, along with additional funding for specific projects that will help the ACT Government meet the needs of industry and increase the number of apprentices and trainees;

(f) since 2014-15, the ACT has lead the nation in arresting the decline and significantly increasing apprenticeship commencements, while nationally the numbers have continued to decline. In fact from 2015-16 to 2016-17, the ACT increased apprenticeship commencements by 47 percent;

(g) the Government has also proactively targeted and supported a number of key groups in our community to take up apprenticeships and traineeships, for example, recently announcing the recipients of the Mature Workers Grants Program and a second round of the Women in Trades Grant Program;

(h) the ACT Government’s commitment to supporting VET is demonstrated through the Government’s continued support of the Canberra Institute of Technology (CIT);

(i) through the Ninth Assembly Parliamentary Agreement the Government has committed to recognise that CIT should remain the primary provider of high-quality vocational training in the ACT, and to maintain the CIT under public ownership. The Government will continue to directly fund CIT to a minimum of 70 percent of total ACT Government funding for VET; and

(j) the ACT Government’s commitment to strong linkages and integration between the tertiary and VET sectors in the ACT to give students and industry the best access to holistic learning opportunities;

(2) notes the vital role CIT plays in providing vocational education in Canberra, including:

(a) educating and training over 13,000 people last year, with 4,210 program completions;

(b) providing 3,422 apprenticeship and traineeship courses;
(c) holding a 91 percent learner satisfaction rate and a 87 percent employer satisfaction rate; and
(d) ensuring 84 percent of all graduates employed after graduation, compared to the national average of 73 percent;

(3) notes attacks on the vocational education sector coming from Federal and State Liberal governments including:
(a) attempted privatisation of cross-border TAFE services;
(b) opening the funding system and giving billions to shonky providers who lured students in with free gifts and left them with massive debts; and
(c) the Liberal Party propensity to sell off anything and everything, even if it is nailed down; and

(4) calls on all Members of this Assembly to:
(a) support public vocational education and rule out privatisation of this essential institution; and
(b) sign a commitment to keep CIT in public hands. *(Notice given 26 November 2018. Notice will be removed from the Notice Paper unless called on within 3 sitting weeks – standing order 125A).*

MR COE: To move—That this Assembly:

(1) notes:
(a) the need for stronger legislative whistle blower protections in the ACT;
(b) the current processes are complex, lengthy, and often require legal expertise to navigate;
(c) that integrity and confidence in public administration should be a high priority for the ACT Government;
(d) the need for a review of the effectiveness of the *Public Interest Disclosure Act 2012* has been repeatedly raised and agreed to during this Assembly;
(e) the Government agreed to Recommendation 78 of the Select Committee on an Independent Integrity Commission’s report tabled on 31 October 2017, *Inquiry into an Independent Integrity Commission*;
(f) Recommendation 78 of the *Inquiry into an Independent Integrity Commission* report states:

(i) the Committee recommends that the ACT Government appoint an independent person to conduct a statutory review of the *Public Interest Disclosure Act 2012* (the PID Act). The Review, amongst other things, should consider: (a) any potential conflict of interest (real or perceived) as it concerns decision makers and disclosure officers under the PID Act; (b) the findings of the Moss Review examining the operation of the Commonwealth *Public
Interest Disclosure Act 2013 as it concerns the strengthening of that legislation to achieve the Act’s integrity and accountability aims; (c) the matters raised in submission No. 3 (as detailed in paragraph 3.162) to the Inquiry as it concerns the PID Act; (d) application of the PID Act to any future ACT Anti-Corruption and Integrity Commission (ACIC)—in particular, its articulation with any protected disclosure provisions that may apply to any informants providing assistance to the ACIC or anyone consequently at risk; and (e) the suitability of an ACT ACIC for the purposes of receiving disclosures pursuant to the PID Act;

(g) the Government agreed to Recommendation 54 of the Select Committee on an Independent Integrity Commission 2018’s report tabled on 31 October 2018, Inquiry into the establishment of an integrity commission for the ACT report; and

(h) Recommendation 54 of the Inquiry into the establishment of an integrity commission for the ACT report states:

(i) the Committee recommends that the ACT Government establish a comprehensive review of the Public Interest Disclosure Act 2012 as soon as is possible with the aim of having changes implemented by 2020; and

(a) commence the review within 20 working days;

(b) present the review report and any proposed legislation no later than the first sitting day of August 2019;

(e) present final legislation by the last sitting day of October 2019. (Notice given 11 February 2019. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A).

*5 MRS DUNNE: To move—That this Assembly:

(1) notes:

(a) Recommendation 18 of the Interim Report of the Independent Review into the Workplace Culture within ACT Public Health Services (Review), which recommends the establishment of a “Cultural Review Oversight Committee”; and

(b) Recommendations 19 and 20 relate to an annual and independent external review, over three years, of the extent of implementation of the recommendations of the Review; and
(2) calls on the ACT Government, by 31 March 2019, to:

(a) establish a Cultural Review Oversight Committee, including:

(i) terms of reference that reflect the recommendations of the Review report; and

(ii) a requirement that the Committee provide a report on its activities and related outcomes to be published in the annual report of ACT Health; and
