- 1 **MS CHEYNE:** To present a Bill for an Act to amend the *Births, Deaths and Marriages Registration Act 1997*. (*Notice given 14 February 2020*).
- 2 **MR COE:** To move—That this Assembly:
 - (1) notes:
 - (a) after 19 years of Labor, thousands of Canberrans are struggling with the cost of living;
 - (b) despite year after year of record revenue, the ACT Government has amassed \$3 billion of debt;
 - (c) Canberrans are paying more than ever before for rates, taxes, fees and charges;
 - (d) Canberra has the most expensive average rent in the country; and
 - (e) the ACT Government is receiving record revenue from the Commonwealth; and
 - (2) calls on the Government to bring down the cost of living for families in Canberra. (*Notice given 17 February 2020. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

* Notifications to which an asterisk (*) is prefixed appear for the first time

- 3 **MISS C BURCH:** To move—That this Assembly calls on the Minister for Transport to apologise to Canberrans for introducing the transport disaster that was Network19 and ignoring the feedback given during the Network19 consultation process that anticipated the issues that have since become a reality. (*Notice given 17 February 2020. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).
- 4 **MR GUPTA:** To move—That this Assembly:
- (1) recognises the significant impact Walter Burley Griffin and Marion Mahony Griffin had on Canberra, by:
 - (a) winning the design competition for the plans of Canberra in 1912, shaping it into the modern and unique city we know today;
 - (b) influencing and overseeing the initial design of both North and South Canberra after becoming the Federal Capital Director of Design and Construction in 1913;
 - (c) creating the Commonwealth Heritage listed Pialligo Redwood Forest, Australia's largest stand of mature Redwood species;
 - (d) designed several heritage listed institutions in the ACT, such as Canberra's Grave for Sir General Bridges on Mount Pleasant and Canberra's Garbage Incinerator;
 - (e) designing several buildings across Australia, such as the Capitol Theatre in Melbourne and numerous residential estates along the Sydney Harbour headlands; and
 - (f) influencing the field of architecture, such as being credited as one of the first designers to incorporate the idea of a carport into a residential design;
 - (2) notes that after leaving Canberra, Walter Burley Griffin;
 - (a) moved to India to design several new buildings, including a library for the University of Lucknow; and
 - (b) passed away on the 11th of February 1937 in Lucknow, India, where his gravesite continues to stand;
 - (3) further notes the existing efforts to commemorate his contribution to Canberra, including:
 - (a) the naming of Lake Burley Griffin;
 - (b) the viewing area on top of Mount Ainslie was renamed “Marion Mahony Griffin View” in 2013;
 - (c) Walter Burley Griffin and Marion Mahony Griffin were recipients to the ACT Honour Walk in 2012;
 - (d) the Australian Government’s “National Capital Plan” is the strategic plan for Canberra and the Territory and it ensures (amongst other things) “respect for the key elements of the Griffins’ formally adopted plan for Canberra”;
 - (e) numerous architectural drawings held in the National Library of Australia; and

- (f) numerous archival materials held in the National Archives of Australia; and
- (4) calls on the ACT Government to:
- (a) acknowledge the significant contribution to our capital and consider naming future public places, for example, street names after Walter Burley Griffin and Marion Mahony Griffin; and
 - (b) investigate how we can see further recognition of Walter Burley Griffin's gravesite in Lucknow. (*Notice given 17 February 2020. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).
- 5 **MR MILLIGAN:** To move—That this Assembly:
- (1) notes:
- (a) that despite the numerous complaints from the residents of Yerrabi, there has been insufficient action on the illegal dumping and litter occurring across the electorate;
 - (b) this includes the abuse of charity bins, roadside litter and illegal dumping on vacant blocks and public spaces;
 - (c) that the ACT Government has available a range of penalties under the *Litter Act 2004* and the *Dangerous Substances Act 2004* that are seemingly not enforced;
 - (d) that the ACT Government is also able to deploy the city rangers to inspect and enforce this legislation, but that they need to be resourced effectively to conduct preventative activities;
 - (e) that the slow rollout of once a year kerbside pickup for bulky waste is unlikely to resolve this issue given many of the dumped items include clothing and smaller household objects. Furthermore, given the new scheme is only once a year and requires a booking, it is unlikely to deter illegal and ad hoc activity;
 - (f) that current complaint mechanisms through Access Canberra are arduous for residents and do not seem to result in effective response times; and
 - (g) that sadly these complaints are not unique to Yerrabi but in fact are occurring throughout the ACT; and
- (2) calls on the Government to:
- (a) acknowledge that litter and illegal dumping is of growing concern to Canberrans;
 - (b) review what resources and authority the city rangers currently have to enforce penalties relating to litter and illegal dumping and whether they are adequate to address the issue;
 - (c) review the current reporting process for residents to make a complaint and assess the viability of a more user-friendly and efficient process; and

- (d) report back to the Assembly on these matters no later than 18 June 2020. (*Notice given 17 February 2020. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

 - (c) the Territory Plan’s Parking and Vehicular Access Code of 2014 has a requirement that the ACT provide 3 percent minimum disability parking spaces;

 - (e) currently different rules apply to disability car spaces across both government and private carparks, with varying time limits the most common complaint of car space users; and
 - (f) significant changes to the bus network have disproportionately negatively impacted people with a disability; and
- (2) calls on the ACT Government to:
- (a) liaise with disability advocacy groups to understand their needs in the supply and use of disability car spaces in the ACT;
 - (b) consult with private carpark operators on the issue;
 - (c) prepare and update public information for mobility parking permit holders, their carers and the community on the use of accessible spaces;
 - (d) continue to monitor closely the inappropriate use of disability car spaces and issue fines when required; and
 - (e) table a response to the outcomes of parts (2)(a) to (d) by the last sitting day in June 2020. (*Notice given 17 February 2020; amended 18 February 2020. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

7 **MRS DUNNE:** To move—That this Assembly:

- (1) notes:
 - (a) the importance of government providing a public mental health system that is efficient, timely, effective and safe for patients and staff; and
 - (b) Mr Rattenbury has been the Minister for Mental Health for three years and conditions for staff and patients have deteriorated over that time;
- (2) further notes:
 - (a) the Adult Mental Health Unit (AMHU) at The Canberra Hospital has been operating at and above capacity for the past two years;
 - (b) it is apparent that funding of four additional beds in the AMHU in 2019-20 is providing little if any relief to capacity problems;
 - (c) development of the adolescent mental health unit is more than two years late;
 - (d) the Office of Mental Health and Wellbeing did not open until July 2018 and did not have a coordinator-general until December 2018;
 - (e) the average waiting time for admission to the adult mental health unit was 16.2 hours in 2018-19, 140 percent higher than the average of 6.7 hours over the previous five years;
 - (f) data released by the Australian Institute of Health Welfare shows that, in 2017-18, only 43 percent of mental health presentations to ACT emergency departments were seen on time, compared to the national average of 67 percent, and represents the worst performance measure in Australia;
 - (g) the number of people waiting in emergency departments to be admitted to the AMHU increased by 140 percent in 2018-19;
 - (h) the Australasian College for Emergency Medicine says that mental health patients in emergency departments take longer to treat than other patients;
 - (i) increasing mental health presentations and wait times put additional pressure on overall emergency department performance;
 - (j) in the years 2012 to 2017, there was an annual average of 29 assaults on mental health staff, with 109 assaults in 2018, an increase of 274 percent;
 - (k) there is a high proportion of patients with mental health issues who return for further treatment within 28 days of discharge; and
 - (l) the Minister for Mental Health has supported de-criminalisation of recreational marijuana cultivation, possession and use, despite advice that the use of recreational marijuana has shown to be associated with substantial adverse mental health effects, some of which have been determined with a high level of confidence; and

- (3) calls on the Minister for Mental Health to provide a statement to the Assembly by the last sitting day of February 2020, outlining what he will do to fix the problems in the mental health system including how the Government plans to deal with new patients who present to the public health system with mental health problems associated with recreational marijuana use. (*Notice given 21 October 2019. Notice will be removed from the Notice Paper unless called on this sitting week – standing order 125A*).
- 8 **MS LEE:** To move—That this Assembly:
- (1) notes:
 - (a) the value teacher librarians bring to students and our school communities;
 - (b) that teacher librarians are front line educators for students at all levels of schooling;
 - (c) only four in 10 ACT Government schools have a qualified teacher librarian, down from six in 10 five years ago;
 - (d) teacher librarians are front line educators for students at all levels of schooling;
 - (e) in the ACT only four in 10 ACT public schools have a qualified teacher librarian, down from six in 10 a few years ago; and
 - (f) the ACT Council of P&C Associations has been calling for a qualified teacher librarian in every government school in ACT Budget submissions for numerous years, without success;
 - (2) further notes that the Edith Cowan University conducted research into teacher librarians and found:
 - (a) many teacher librarians do not feel secure in their jobs, with the library often the first place principals looked when they needed to cut costs;
 - (b) teacher librarians who are qualified teachers with Masters degrees in librarianship are either not being replaced or replaced with well-intentioned library officers with no qualifications; and
 - (c) concerns that the insecurity of teacher librarians in schools will lead to fewer people seeking a career as qualified teacher librarians; and
 - (3) calls on the ACT Government to:
 - (a) demonstrate a commitment to the engagement and retention of teacher librarians in ACT Government schools by:
 - (i) allocating funds in the 2019-2020 Education budget specifically for the engagement of qualified teacher librarians; and

9 **MS CODY:** To move—That this Assembly:

- (1) notes:
 - (a) that since the implementation of the *Long Service Leave (Portable Schemes) Act 2009* some workers' long service leave entitlements have been protected;
 - (b) workers in some transient workforces are protected when staying in the industry but moving between employers; and
 - (c) the intention of the *Long Service Leave (Portable Scheme) Act 2009* is to ensure workers not in the public sector will be able to have their long service leave transferred from one employer to another;
- (2) further notes:
 - (a) the ACT Government has included industries such as building and construction, contract cleaning, community sector and security in the Portable Long Service Leave Scheme;
 - (b) there are other trades, such as hairdressing, where workers change employers without changing industries; and
 - (c) hairdressers have a high churn of employers but stay within the industry; and
- (3) calls on the Government to work with:
 - (a) Hair Stylists Australia to determine how to include hairdressing in the *Long Service Leave (Portable Scheme) Act 2009*; and
