Inquiry into referred 2019–20 Annual and Financial Reports
ANSWER TO QUESTION TAKEN ON NOTICE
5 March 2021

Asked by JEREMY HANSON MLA:

In relation to:

MR HANSON: You may not have this information to hand so that may be required on notice, but with the private RTOs, they have been delivering courses then that, you know, may not be available at CIT. Could you provide me a list of those courses that were delivered under the job trainer program by private RTOs where they are not available at CIT?

So, you know, course X is, you know—may be pretty popular out there. It is being provided by RTOs and there are people out in the community potentially wanting to do that training through this program but cannot because it is not available at CIT, where the funding remains.

So what I am trying to identify there, I suppose, is potential gaps in training and, you know, potential qualification because, you know, although CIT does a wonderful job—let me not argue with that—they are not actually offering those courses that were previously—so you may not have that, but if you could provide that.

Ms Andersen: We can provide that on notice, yes.

MR HANSON: Could you?

Ms Andersen: Yes.
