Dear Chair 

I am writing to you at the earliest opportunity to correct an error in a Question on Notice (QON) submitted by me to your Committee.

On 25 February 2021, ACT Policing appeared before the Justice and Community Safety Standing Committee. Following this hearing, you submitted a QON in relation to drink driving testing.

ACT Policing has recently identified that an administrative error occurred during the preparation of their response to this QON. Numbers provided in response to question four, part b, were repeated in error for both the 2018/19 and 2019/20 financial years.

The correct figures for the 2018/19 and 2019/20 financial years are:

Financial Year	2018-19	2019-20
Tests	3,541	3,264*

Source: The database used by ACT Policing for recording this activity is external to PROMIS.

*COVID restrictions.

My apologies for the above mistake in the data submitted.

Yours sincerely

Mick Gentleman MLA
