**Submission—Health and Safety Committee**

Dear Mr Hanson,

The Health and Safety Committee met on Tuesday 13 September 2022 where it was agreed that in a process error, the final copy of the H&S Committee submission which added paragraph 4.3 was not endorsed by the H&S Committee prior to submission to the Privilege's Committee. As such, I seek to make the following amendment to the submission I provided on 31 August 2022 on their behalf.

4.3 Feedback received specific to the Privileges Committee request for input from some H&S Committee Members was that the issuing of the prohibition noticed had significant psychosocial impacts for some staff including the stress and uncertainty of the situation, the rumour and discussion across the ACT Public Service, and a significant increase in workload for a number of staff to manage the impacts of the rescheduling of Estimates. Some members sought feedback from their workgroups whilst others did not.

Yours sincerely,

Rachel Turner  
Chair, H&S Committee
