Asked by Jeremy Hanson MLA on 01 November 2022 to Deputy Commissioner Gaughan took on notice the following question(s):

Reference: Hansard [uncorrected] proof transcript 01 November 2022 [PAGE 3]

In relation to:

**Mr Gaughan:** Chair? So from 1 August 2022 as of 27 October 2022, Operation TORIC had arrested 122 separate offenders and laid 310 charges for offences, including aggravated dangerous driving, driving at police, taking motor vehicle without consent, drunk driving and firearm offences. Of those charged at this stage, 39 are on bail for other offences. Sixteen were on good behaviour orders, five were on intensive correction orders and eight were on parole, six in the ACT and two from New South Wales.

**MR HANSON:** Are you concerned by that high number? I mean, these are people who are meant to have been before the courts for similar offences, I would imagine. Is it frustrating to your members to have to sort of continually arrest the same people and then, perhaps, that is a bit of a subjective question, but then in terms of the data, of those that you have just mentioned, the people on bail and on good behaviour bonds and so on, how many then were held in custody and how many were released again on some form of Community Corrections order or something?

**Mr Gaughan:** That particular part of the question, so the second part of the question we will have to take on notice. I do not have that data.

**MR HANSON:** Yes, if you could, please, thanks, and if you could break it down by the same categories that you did, that was good.

**Mick Gentleman MLA:** The answer to the Member's question is as follows:–
