

Standing Committee on Education and Community Inclusion

Inquiry into Annual and Financial Reports 2021-2022 **ANSWER TO QUESTION TAKEN ON NOTICE**

Asked by Nicole Lawder MLA on 7 November 2022: Christine Robertson took on notice the following question(s):

Reference: Hansard [uncorrected] proof transcript 7 November 2022, Page 156.

In relation to: CIT Tuggeranong Students by postcode and their course

MS LAWDER: Thank you.

I wanted to ask a couple of questions about CIT Tuggeranong. It appears, you know, just walking past the site to be very, very, quiet, potentially underutilised. How do you determine which courses to run at CIT Tuggeranong? And to ensure that they are appealing to the people who live in Tuggeranong especially.

THE CHAIR: I will hand over to Christine Robertson, the acting CEO, of CIT.

Ms Robertson: Christine Robertson, Interim CEO. I acknowledge that I have read and understood the privilege statement. And thank you for that question.

I will ask Ms Josephine Anderson, to talk us through some of the activities at Tuggeranong at the moment. In particular, how we are engaging students in programs that are of relevance to the cohort in that environment.

Ms Anderson: Thank you, Christine. And my name is Josephine Anderson. I am Executive Director of Strategic Projects and Industry Engagement at CIT. And I have read and acknowledge the privilege statement.

The courses currently underway, the major course delivery underway, at Tuggeranong is in the business and leadership space and in the early childhood space.

You are right. There is some capacity in the timetable to deliver other courses at Tuggeranong. And we are actively engaged in looking at utilisation of that campus and seeing how we could offer some ICT and cyber related courses in that space as well. because it is very well appointed and there is definitely scope to run additional courses there.

The space is also used by the Education Directorate. So it is used by other parties as well.

MS LAWDER: And are you able to provide, I guess on notice, to the committee for all CIT students, by postcode, and the courses that they are engaged in. I am just interested to see where Tuggeranong—people with the Tuggeranong address, what courses that they are particularly interested in.

Ms Robertson: I will take that question on notice.

Chris Steel MLA: The answer to the Member’s question is as follows:–
