Reference: Hansard [uncorrected] proof transcript 16 November Page 12

In relation to: Top soil program

MR MILLIGAN: Here we go. Does the top soil program still operate, is that still in place today—so it is still in place, what has been the uptake for that program?

Mr Iglesias: By topsoil program are you talking about—

MR MILLIGAN: For local clubs to apply to have topsoil brought and.

Mr Iglesias: I believe there are some ovals where we do make soil available on site, but I would have to check. I would have to check. I would have to take that on notice.

Ms Yvette Berry MLA: The answer to the Member's question is as follows:—

ACT Sports and Recreation Facilities will supply and deliver topsoil as requested by clubs on a case-by-case basis.

The majority of sportsgrounds have concrete storage structures stocked with topsoil for clubs to access as needed.
