Dear Mr Cain

Peter

I am writing to the Committee in relation to its recent inquiry into the Crimes Legislation Amendment Bill 2023 (the Bill). Thank you for your report on the Bill, Report No.23 circulated on 13 March 2024.

I note that the report makes one recommendation - namely that the Assembly pass the Bill.

As you would be aware, a Government response is not required in these circumstances. Standing Order 254B provides that a Government response is not required to a Committee report which does not contain specific recommendations directed to the Government.

The Government looks forward to debating the Bill in a future sitting period.

Thank you again for the Committee's consideration of this Bill.

Yours sincerely
