Answer Due Date: 30/07/2024

**MS CLAY:** Thank you, Chair. Minister, how many of your recent budget announcements have been ongoing funding and how many of them have been one off or fixed term in paths?

**Ms Cheyne:** Can you give me a timeframe?

**MS CLAY:** The last six months. Like the budget announcements that you have made recently. Like, how many of those are one off funding and how many of those are ongoing funding.

**Ms Cheyne:** I would have to take that on notice.

**MS CLAY:** That would be great, thank you.

**Ms Tara Cheyne MLA:** The answer to the Member's question is as follows:

In 2024, a total of six budget announcements were made of which four were path related. Of these, three were for infrastructure investments which are terminating in nature, and one included a combination of terminating and ongoing measures.

Details of these announcements are summarised in the following table.

Announcement	Released	Ongoing or terminating
10 million for road safety upgrades across the ACT	July 2024	Terminating
Works to start on Athllon Drive upgrades	June 2024	Combination
Delivery of safer cycling infrastructure continuing in Canberra	April 2024	Terminating
Canberra's Active Travel Plan guiding infrastructure investment	February 2024	Terminating

Approved for circulation to the Select Committee on Estimates 2024-2025
