Advice was provided at Estimates Hearings on 25 July that part of Section 76 Lyneham was included in a proposal by the Canberra Racing Club. The Canberra Racing Club proposal is being considered by the Committee that you established.

Can you provide a map showing the part of Section 76 being sought by CRC and what purpose does CRC intend to use the land for?

Andrew Barr MLA: The answer to the Member's question is as follows:

The Canberra Racing Club (CRC) proposes to use parts of Sections 74 and 76 Lyneham for an equine stable and training precinct, adjacent to its proposed redevelopment of Canberra Thoroughbred Park (located at Section 69 Lyneham). The training use would include walkers and sand rollers.

Please see the concept design at [Attachment A](#).
