Hello

As a resident of Weetangera and user of the Hawker shops I would like to express my approval of the development.

Woolworths expansion including an underground car park will be a boon to the area. This will be an all weather car park providing protection from cold, heat and rain.

Currently the shopping precinct is looking very sad and unkempt as it has been neglected for many year. It needs to be upgraded and improved. The Woolworths development proposal will attract other businesses and make it a vibrant area.

Inclusion of housing above the development will also add to the area providing convenient and much needed accommodation.

I trust the government will make the right decision and allow this development to proceed.

Regards
Helen Duffy
