To whom it may concern

It is with sincere respect and humility that I write to support the efforts of the Burrangirri Respite Centre, staff, our community of elders, the committee and of course all residents who are in desperate need of Burrangirri Respite Centre to remain opened.

As our community continues to grow and our elderlies continue to increase, we must realise the need for such centres to continue their much needed service for and in our community.

My husband attends Burrangirri on a regular basis and we are delighted to have such service which is not only convenient for us, but it is well operated by professional, caring and experienced staff. Burrangirri provides great valued service which keeps our elderlies happy as they feel cared for in a beautiful environment.

Please support and consider our plea for Burrangirri Respite Centre to remain opened for our ageing community.

Kind regards

Lieta Sauluma-Duggan
