Speaker's response to a recommendation of the Standing Committee on the Integrity Commission and Statutory Office Holders

Recommendation

The committee recommended (recommendation 7) in its report on the Inquiry into Annual and Financial Reports 2023-2024 that '... the Office of the Legislative Assembly explore means of improving public accessibility to the Legislative Assembly's art collection through an online portal or website'.

Response

Agreed. The Office promotes its art collection via the Assembly website through a series of high-quality digital photographs of selected artworks available at:

- <https://www.parliament.act.gov.au/visit-and-learn/visit#View%20our%20art%20collection>;
- and
- <https://www.parliament.act.gov.au/visit-and-learn/visit/art-collection>

Through the Legislative Assembly Art Advisory Committee, which advises the Speaker on the acquisition, display and maintenance of Assembly artworks, ongoing consideration will be given to other opportunities to improve public access to Assembly artworks within existing budget allocations.
