Dear Mr Speaker

Transferal of petition to the Transport and City Services Committee

I am writing to seek your agreement to the referral of *E-PET-019-25 and PET-036-25: Supporting addressing critical parking needs at Charles Conder Primary School*, to the Standing Committee on Transport and City Services.

The petition currently stands referred to the Standing Committee on Environment and Planning.

The petition relates to matters that fall within the remit of the Standing Committee on Transport and City Services but was not captured by the recent motion amending the resolution of establishment.

Given the nature of the subject matter, we are seeking your agreement to transfer the petition to the Transport and City Services Committee.

This approach aligns with recent practice, whereby *E-PET 015-25 and PET 026-25: Libraries ACT and national standards; and E-PET 027-25: Maintain the Point Hut dog exercise area as an off-leash dog area after the Lanyon dog park opens*) were transferred from the Environment and Planning Committee to the Transport and City Services Committee with your agreement.

Queries can be directed to the Committee Secretary, James Bunce, on (02) 620 50199.

Yours sincerely
