

Inquiry into annual and financial reports 2024–2025

Answer to question on notice

Asked by: Mr Andrew Braddock MLA

Addressed to: Minister for Transport

Reference: Transport Canberra Scheduling

Hearing: 19 November 2025

In relation to: Release of 2026 Bus Timetable

Question received: 27 November 2025

Answer Due: 04 December 2025

When can Canberrans expect to see a 2026 public transport network design that reflects changes brought on by the Commonwealth Avenue Bridge Closures?

(Note: This question was asked in Question Time on 21 October 2025, and the Chief Minister on behalf of the Transport Minister gave an answer of it being “in coming weeks”. This was four weeks ago, and therefore an update is being requested in this question.)

Mr Chris Steel: The answer to the Member’s question is as follows:

Transport Canberra notes that there will be significant disruptions during these works and are proposing a new network to minimise the impacts of the Commonwealth Avenue Bridge closures.

It is expected that network revisions will be communicated to the community and stakeholders in the first week of December. This new network is due to commence in line with Term 1, on 2 February 2026. Updated school packs and timetables will be available early January 2026.

Approved for circulation to the Standing Committee on Transport and City Services
