Risk due to

Localised Issue

Localised issue type

Detailed description of the incident including nature of risk, time, cause, etc.

On the 31 of October 2023 a parent raised a concern around a bruise they found on their child's arm on Friday. The parent questioned the child who told them that they sustained this bruise by a person with a name tag and that the person was not little but a big person. It is important to note that the staff do not wear names tags. An investigation is underway
