Select Committee on Estimates
ACT Legislative Assembly

Canberra, ACT 2601

Reference: Appropriation Bill 2010-2011

Dear Sir, Madam,

I write to advise that I inadvertently made an inaccurate statement at the Select Committee's hearing on Monday 24 May 2010. When being questioned by Mr Seselja MLA, in relation to how the Restorative Justice Unit measures success, I said:

"the legislation requires that when phase 2 is commenced that a report is tabled in the Assembly within 18 months".

The correct information is:

"the legislation requires that when phase 2 is commenced that a review is begun within 18 months and a report on that review is tabled in the Legislative Assembly within three months of commencing that review".

Would you please ensure that the record of that day's proceedings note the above information. Please accept my sincere apology for this error.

Yours faithfully

John Hinchey
Manager
Restorative Justice Unit
