Subject: Draft Variation to the Territory Plan No.307 – Griffith Section 42 Block 15 – Change of Zoning
Date: Wednesday, 26 October 2011 3:27:19 PM

ATT Mary Potter (Chairperson - Standing Committee on Planning, Publics Works and Territory and Municipal Services),

I am writing in support of the proposal to allow medium density residential units on Block 15 Section 42 Griffith.

What is lacking in the inner south is quality medium density residential accommodation in reasonable proximity to Shops and the like which allow people to downsize from larger houses in the area when upkeep becomes more of a burden than a joy. The Territory Government should not forget we have an ageing population whose needs should be catered for. The opportunity for residents of the inner south to continue to live in the general area in hopefully well designed smaller but more modern accommodation is one that should be welcomed by the general community.

Thanks for your time,
Willow Condi
