Subject: "Submission in favour of DVP 307 Griffith Zoning"

As a born and bred Canberra citizen, a keen rugby supporter, and as an employee of a construction firm that promotes high quality built form outcomes, **I fully support the proposed variation to the Territory Plan.**

The variation if successful will assist to ensure that the Brumbies franchise stays in Canberra as a viable and competitive rugby team. To risk losing such a team would be a travesty for the ACT's economy and sporting community.
