ROLE OF THE COMMITTEE

The Committee examines all Bills and subordinate legislation presented to the Assembly. It does not make any comments on the policy aspects of the legislation. The Committee's terms of reference contain principles of scrutiny that enable it to operate in the best traditions of totally non-partisan, non-political technical scrutiny of legislation. These traditions have been adopted, without exception, by all scrutiny committees in Australia. Non-partisan, non-policy scrutiny allows the Committee to help the Assembly pass into law Acts and subordinate legislation which comply with the ideals set out in its terms of reference.

BILLSBill - No Comment

The Committee has examined the following Bills and offers no comment:

Evidence (Closed-Circuit Television) (Amendment) Bill 1996

This Bill extends for two years the operation of the Principal Act, which makes available the possibility of evidence being given by complainants in alleged sexual assault cases by closed circuit television.
