Andrea

I refer to our telephone conversation on 23rd June 2006 regarding the above.

Page 10 of the transcript records my statement to the Inquiry "At the moment the CAV system, as I understand it, is the property of the ACT government."

Having made further inquiry, I am advised that the CAV system is the property of AVO.

I would be grateful if you could advise the Inquiry accordingly and my apologies for any inconvenience caused,

Regards
