Dear Ms Cullen

 A.C.T. LEGISLATIVE ASSEMBLY COMMITTEE OFFICE	
SUBMISSION NUMBER	5
DATE AUTH'D FOR PUBLICATION	10 Aug 05

28 July 2005

Inquiry into Auditor-General's Report No.2 of 2005: Development Application and Approval Process

Thank you for your letter of 11 July 2005 inviting the Weston Creek Community Council (WCCC) to participate in the Standing Committee on Public Accounts inquiry into the Auditor-General's Report No.2 of 2005: Development Application and Approval Process (the Report).

As you might be aware, the objects and purposes of the WCCC include representing the interests of residents of the district of Weston Creek. This function encompasses lobbying for facilities that will benefit our local residents, as well as participating in public discussions on matters of a broader Canberra interest (eg the development application and approval process) which will affect our local residents.

Members of the Committee of the WCCC actively participated in the Auditor-General's performance audit of the development application and approval process. The WCCC notes that the key findings and recommendations of the Report fairly reflect the concerns expressed by our Committee members. Given this concordance of views, the WCCC feels that any additional submission would not provide substantive new material to the Standing Committee's deliberations on this occasion.

Once again thank you for your kind invitation to participate.

Yours sincerely

Jeff Carl
Chairperson,
Weston Creek Community Council
