

LEGISLATIVE ASSEMBLY FOR THE AUSTRALIAN CAPITAL TERRITORY
COMMITTEE OFFICE

There are also some very large exhibits that people can view at the Committee Office by notifying the Secretary. These are:

- a poster entitled *Ginninderra Falls - Canberra's Kakadu – Twin Falls on the Murrumbidgee River* [no date] that Mrs Hyles and Mr John Hyles used to promote their property when it was open to the public as Ginninderra Falls Park. It was open until 2004.
- three aerial photographs of the area of land for which the Ginninderra Falls Association proposes a national park.
