[Ref: Hansard Transcript 19 June 2014 [PAGE #584-585]]

In relation to: Spotless breakdown in relation to supported wages

Can CSD provide a breakdown of the targets and the different categories of people who are employed by Spotless, and provide information on how spotless is performing against those targets?

MINISTER RATTENBURY: The answer to the Member's question is as follows:—

The Total Facilities Management (TFM) Contract between the Commissioner for Social Housing and Spotless Facility Services acknowledges that one of Housing and Community Services key initiatives is encouraging sustainable economic engagement and participation of specific cohorts.

The contract requires Spotless to support the specified target groups listed below achieving employment and economic engagement through either direct service delivery by the TFM or through its sub-contractors, where a count of one represents an individual. The following are the minimum targets and the Spotless performance against the targets over a six month period:
