Ref: Hansard Transcript 25 June 2014, Page 49

In relation to:

What is being done to address parking and traffic management at the Narrabundah baseball park?

SHANE RATTENBURY MLA: The answer to the Member's question is as follows:—

Portfolio responsibility for the Narrabundah baseball park falls under the Minister for Economic Development.

Sport and Recreation Services (SRS), within the Economic Development Directorate, engaged Gossip Consulting Engineers in early 2014 to produce a parking and traffic assessment as part of pre-planning for the next stage of the Narrabundah Ballpark upgrade works. SRS, in conjunction with the Territory and Municipal Services Directorate, will use the study to inform decision making around improvements to parking and traffic options, as the next stage of upgrade works for the Narrabundah Ballpark is progressed.
