Dear Mr Smyth

**RE: Inquiry into elements impacting on the future of the ACT Clubs Sector**

On behalf of Central Hockey Club Inc I wish to comment on the above Inquiry.

The Canberra Labor Club Group has supported our organisation for over 14 years and during this time our organisation has significantly benefitted from this support, enabling us to make playing hockey more affordable, particularly for juniors and those in hardship situations.

Without this assistance our organisation would not have been able to cover the fees for players in hardship circumstances and we would not have been able to offer discounted fees to our juniors participating in senior hockey to further enhance their growth and development in the sport of hockey. The contribution of the Canberra Labor Club to Central in 2014 and earlier years was gratefully received by all members, coaches, officials and administrators. We recognise that many of the development programs we delivered would not have been possible without the generous assistance from the Canberra Labor Club.

We cannot envisage any other organisation or government agency being able to fill the void if the Canberra Labor Club was not there to support us.

Central is proudly sponsored by The Canberra Labor Club and Taurus Hockey

The assistance of the Club Industry in the ACT is reflected through our partnership with the Canberra Labor Club Group and is something that can only be maintained by the Club if they are able to remain a viable community asset.

We believe that the Clubs of the ACT play an invaluable role in our community.

Yours sincerely

Carla Jago
