Subject: Inquiry into billboards

Follow Up Flag: Follow up
Flag Status: Flagged

As a citizen of Canberra, I urge you not to relax the laws on advertising which relate to billboards.

In making this decision you should consider the ugliness of billboards, the effect on the environment, and the negative impact of a constant bombardment of advertising.

The absence of billboards is a key factor in the green spaces that are available in many parts of Canberra, including by busy roads.

Please consider your decision carefully before the environment is desecrated further.

Patrick Cooke
