Bills debated

Crimes (Police Powers and Firearms Offence) Amendment Bill 2017

Summary: This bill will amend the Crimes Act 1900 to provide a specific offence to capture the conduct of drive-by shooting. Provisions in the bill will also provide police with statutory power to establish and control a crime scene.

Proceedings: Debate resumed on this bill on 28 November with all parties indicating their support for the passage of the legislation. The bill was agreed to in principle.

During the detail stage a number of amendments were moved by the Government that were minor and technical in nature and in response to comments made by the Scrutiny Committee. The amendments were agreed to.
The amended bill was then passed by the Assembly.

**Domestic Animals (Racing Greyhounds) Amendment Bill 2017**

*Summary:* This bill will amend the *Domestic Animals Act 2000* by adding provisions that outline the obligations attached to those who own or have day-to-day control of greyhounds that are involved, or are intended to be involved, in greyhound racing outside the ACT. The bill also makes amendments to the *Domestic Animals Regulation 2001* by including additional information to be required for racing greyhound registrations, and the information that will be provided on certificates of registration. The bill also proposes amendments to the *Animal Welfare Act 1992* to make it an offence to conduct, or facilitate the conduct of, greyhound racing in the ACT.

*Proceedings:* This bill was debated together with the Domestic Animals (Racing Greyhounds) Amendment Bill 2017 on 28 November. During debate the Opposition outlined its reasons for not supporting the two pieces of legislation with the ACT Greens indicating their support for the bills. The Racing (Greyhounds) Amendment Bill 2017 was agreed to in principle after a vote of the Assembly.

During the detail stage an amendment was moved by the Opposition seeking to amend the commencement date of the proposed legislation from 30 April 2018 to 30 June 2018. The amendment was not supported by the Government or the ACT Greens and was negatived after a vote of the Assembly.

The bill was then passed by the Assembly without amendment.

**Inspector of Correctional Services Bill 2017**

*Summary:* This bill will establish an independent Inspector of Correctional Services for the Territory and includes providing a broad and flexible operational structure for the Inspector.

*Summary:* This bill will amend the Domestic Animals Act 2000 and the Domestic Animals Regulation 2001 to strengthen laws in relation to dangerous dogs in the community.

*Proceedings:* Debate resumed on this proposed legislation on 29 November with the Government indicating they would be supporting the bill in principle but would be seeking to move amendments during the detail stage. The ACT Greens also stated their support for the proposed legislation in principle. The bill was agreed to in principle.

During the detail stage the Government moved a number of amendments to broaden the scope of the review of the Act and introduce a number of changes in relation to the operation of the Act. Debate ensued with the Opposition opposing a number of the amendments.

All proposed Government amendments were agreed to.

The amended bill was passed by the Assembly.

**Crimes (Criminal Organisation Control) Bill 2017**

*Summary:* This bill will provide for a criminal organisation control regime to prevent, disrupt and deter the operations of any organised criminal organisations.

*Proceedings:* Debate resumed on this bill on 29 November with both the Government and ACT Greens indicating they would not be supporting the passage of the proposed legislation through the Assembly.

The bill was negatived after a vote of the Assembly.

**Motions debated**

A motion moved by Mr Pettersson on 29 November sought to highlight Canberra’s achievements and future initiatives for the Territory. The motion included calling on the Assembly to, where appropriate, promote Canberra’s achievements and highlight the range of opportunities that exist for private investment. Both the Opposition and the ACT Greens supported the motion.

The motion was passed by the Assembly without amendment.

Issues at the Alexander Maconochie Centre (AMC) was the subject of a motion moved by Mrs Jones on 29 November. The motion included outlining recent events that have occurred at the AMC and calling on the Government to conduct a full review of the policies and procedures relating to the transportation, accommodation and supervision of inmates who are receiving healthcare outside of the AMC and report back to the Assembly by February 2018. During debate the Government moved an amendment to the motion which included noting that there had been significant progress over the last five years to develop and improve the corrections system. It also included calling on the Government to continue to update the Assembly on developments in ACT Corrections. The amendment was passed by the Assembly.

The amended motion was then agreed to by the Assembly.
A further motion debated on 29 November related to **marriage equality law reform and discrimination**—Mr Steel

**Executive Members’ business**

*Includes all items presented to the Assembly by Executive Members, including bills and motions*

**Motion debated**

**Pill testing services** to provide a harm reduction measure to keep young people safe was the subject of a motion moved by Mr Rattenbury on 30 November. The motion included noting that a number of studies have provided positive indications that pill testing minimises risky drug consumption. During debate the Opposition outlined why they would not support the motion with the Government indicating its support for the motion.

The motion was passed after a vote of the Assembly.

**Assembly business**

*Includes any business relating to the establishment or membership of a committee or the proposed referral of a matter to a committee. It also includes business which proposes to amend, disallow, disapprove or declare void any instruments which are made under specific Acts agreed to by the Assembly. Assembly business also includes any notice or order of the day which deals with the administration of the Assembly or how the Assembly conducts its proceedings*

**Motions debated**

A motion to disallow **Planning and Development (Lease Variation Charges) Determination 2017 (No 2)** was moved by the Opposition on 28 November. During debate the Opposition outlined its reasons for moving the disallowance motion.

Both the Government and ACT Greens indicated that they would not support the motion and stated their reasons for not doing so.

The motion was negatived after a vote of the Assembly.

On 30 November a motion moved by the Opposition sought to refer to an Assembly standing committee for review and report, Continuing Resolution 9 of the Assembly relating to the procedures for the **election of a Senator for the Australian Capital Territory**. During debate an amendment was moved by the ACT Greens that included that the committee should examine whether the Legislative Assembly needs to adopt any new practices in relation to this matter. The amendment was agreed to.

The amended motion was then passed by the Assembly.

A motion amending continuing resolution 6 of the Assembly relating to the declaration of **Private Interests of Members** was agreed to by the Assembly on 30 November.

Later that day the Speaker presented a revised Statement of Registrable Interests form.

The Government moved a motion on 30 November that proposed the establishment of a **Select Committee on End-of-Life Choices in the ACT**. During debate on the motion two amendments were moved by the Opposition. The first amendment sought to omit the proposal that a Government member be the chair of the select committee. The next amendment proposed a change to the reporting date of the committee. The amendments were agreed to after a vote of the Assembly.

The amended motion was then passed by the Assembly.

The following Members were appointed to the select committee:

- Ms Cheyne, Ms Cody, Mrs Dunne,
- Mrs Kikkert, Ms Le Couteur.

A motion referring the matter of whether the ACT should have a **mammal emblem** and what that emblem should be was passed by the Assembly after debate on 30 November.

Report 2—Inquiry into the Employment of People with Disabilities (presented by the Minister for Disability, Children and Youth on 30 November)

**Education Activities**

The office is currently working on delivering a range of new video resources for use in schools and by the community. New videos already available on the website include the bar of the house and a school group participating in a role play of an MPI during a visit to the Assembly as part of the Mr Stink program conducted in July.

The Assembly Education Officers attended the Australasian Parliamentary Educators Conference in Melbourne on 22-24 November. Twenty-five education professionals from Australia and the Pacific Region gathered to discuss and share information on such topics as how to engage youth in democracy through education, how to assist youth to identify and break the fake news cycle, and how to increase media literacy in today’s complex information overburdened world. There was a wealth of knowledge exchanged and educators showcased many engaging resources from their parliamentary education programs that included cartoon characters, poetry, role plays, audio/visual resources and virtual reality. Social media platforms have become a valuable way of assisting educators to promote their programs and increase participation in both their web-based resources and visitors’ programs and many tips and ideas were shared. Both officers agreed the conference was an invaluable professional development exercise.

Information on our various program offerings are available on the Assembly’s website.
