Re: I am an ACT resident, here is my submission to the inquiry

Dear Secretary,

Thankyou for taking the time to consider my views on this very disturbing process of euthanasia. I agree with the following statements that, "There are NO 'safeguards' that can provide for the SAFE KILLING of people" AND "Palliative care is severely underfunded yet provides the right approach, kill the pain not the person" As a Country we have come such a long way to valuing and respecting the multicultural people that are the framework of our society, YET on this ISSUE we want to devalue and disrespect the lives of those that are suffering and finding this life difficult to manage. There are definitely answers and other options beyond barbaric killing of this nature. Warm Regards Tracey Radbourne
