**ANSWER TO QUESTION TAKEN ON NOTICE**  
**Thursday, 4 March 2021**

**Asked by Mr Mark Parton MLA:**

**MR PARTON:** I do, yes. And it starts off extremely specific, but I promise I will make it wider.

A constituent in Banks suggested to me earlier this month that City Services had indicated to him that traffic calming measures, in the form of speedhumps, were set to be installed on Forsythe Street at Banks. Are we able to, in the context of this hearing, get an indication whether that is the case, or not?

**Mr Steel:** I am not aware of that specific instance. But I will ask the team whether they are aware of it. If not, they can go and take that question on notice—

**MR CHRIS STEEL MLA:** The answer to the Member's question is as follows:—

No. There are no planned traffic calming measures scheduled to be installed on Forsythe Street in Banks.
