Inquiry into the procurement and delivery of MyWay+

The Standing Committee on Environment, Planning, Transport and City Services has launched a web form for public transport users seeking to make a submission to the inquiry into the procurement and delivery of MyWay+.

Ms Jo Clay MLA, Committee Chair, said, 'The Committee is seeking as much input from the users of public transport as possible, and the launch of this webform provides a simple and easy way for people to provide their feedback on MyWay+.'

'The Committee encourages Canberrans to tell us about their experiences directly, whether through a standard written submission or using the webform,' Ms Clay continued. 'Submissions to the inquiry remain open until 28 February.'

The webform for submissions can be accessed on the [inquiry webpage](#).

The Terms of Reference for the inquiry are available on the inquiry webpage: [Inquiry into the procurement and delivery of MyWay+ - ACT Legislative Assembly](#).
