Dear Tester,

We are pleased to provide an update on your participation in the MyWay+ systems testing. Weekday bus routes and numbers have now been allocated for testing, and you can find the relevant details for today in the following table, including route information and times.

We have updated the report to include bus registration numbers. We will continue provide this on a daily basis as more buses are fitted and our light rail platforms are installed, and more functionalities becomes available to you.

While the MyWay+ team has made every effort to ensure the accuracy of this information, please note that due to the dynamic nature of ACT Bus Operations, these details may be subject to change without notice.

For further detailed information around school routes please visit the bus timetables at : [Routes by number - Transport Canberra \(act.gov.au\)](#) and <https://www.transport.act.gov.au/getting-around/find-a-stop-or-map>

Keep an eye on your email for notification of new functionality that will be available for testing soon.

Thank you once again for your enthusiasm and support in this process.

Sincerely,

*Mark White*
