

LEGISLATIVE ASSEMBLY

FOR THE AUSTRALIAN CAPITAL TERRITORY

STANDING COMMITTEE ON ADMINISTRATION AND PROCEDURE

Extract of Minutes—Report 1—Report on the conduct of Mr Parton MLA MEETING NUMBER NO. 4—17 February 2025

2. Report from the Commissioner for Standards—consideration of the draft report—conduct of Mr Parton MLA

The Committee considered the report from the Commissioner for Standards and the draft report of the Committee that had been circulated. The Committee agreed with the findings of the Commissioner.

It was agreed that proposed recommendation 2 be removed from the report as it added little clarity and the matter might be more adequately addressed at a later stage when the protocols for the Commissioner for Standards are reviewed.

It was resolved (*Mr Cocks*)—

That the amended draft report be adopted and circulated out of session.
