The information provided by Transport Canberra in QTON no 3 says that MyWay Plus ticket vending machines were ordered in March 2023.

- (1) Assuming this is incorrect and is meant to say March 2025, why did it take four months after the go-live date to order these machines.
- (2) When are ticket vending machines going to be installed and operational at Canberra's bus interchanges.

Chris Steel MLA: The answer to the Member's question is as follows:

1. Please refer to QON 8, answer 4. The March 2023 date is correct.
2. Installation of ticket vending machines commenced on Wednesday, 7 May 2025, and is expected to be completed by the first week of June.
