Subject: Re: Opening statement from hearing of inquiry into barriers and opportunities for participation in community sports in the ACT

Categories: [REDACTED]

Dear [REDACTED],

thank you for following up.

The main concerns we wanted to raise were:

- rising costs of participating in organised sport;
- loss and degradation of sport and recreation facilities; and
- the increasing use of community land for investor-driven developments.

The details are in our submission.

Regards,

Jochen Zeil, Deputy Chair NCCC
