Good Evening P01 and P01 ,

I am writing to you again about my disappointment with my pay and annual leaves payment haven't been credited. Along with my other colleagues I was supposed to be paid on Friday, we keep waiting for 15 days for that Friday(pay day) to come and every single time we get nothing, and we keep texting, emailing and calling you to fight and then begging for our hard earned money to be credited on time, but don't get it for another 3-4 days. I have to pay my house rent, my bills and other expenses, Have you ever thought how would we be dealing with this situation? This literally resulted causing me extreme anxiety and depression, and tired of this feeling and after consulting with my doctor I had to resigned from my Job. Now, i was expecting my last fortnight pay along with the pay out of my over 125 hours of annual leaves but its Sunday and I am still waiting for my money to be credited to run my house. Surprisingly, I only received Pay slip but no payment, and in that pay slip only normal pay was mentioned, what about my annual leaves payment ?? Kindly clear this out for me that when will I be receiving my full payment with my annual leaves pay.
Waiting for your response.

Thank you

I have had resigned from my position at Genius Gowrie on 18th November and my last working day was 22nd November. Noticeably, I have had more than 120 hours of annual leave pending which were supposed to be paid with my final pay. However, my latest payslip shows no annual leaves pay included in my pay only normal fortnight pay which further has not been paid till now. I have checked with my Manager and as per her saying, she made my termination successfully done last week. This is really frustrating to beg for our hard earned money every fortnight. Not to mention that this was the only reason I separated myself from this company. Can I expect clarity from your end that when will be my full and final pay will be paid ??
