Hello,

My Name is Sam, I have been taught to handle firearms safety since the age of 8, I am currently 33 years of age, I have nearly 20 years of experience. I have been shown how to respect the tools of my trade. After Bondi I was sickened by the actions of those terrorists, I never thought something like that would happen in our country.

But the following 4-6 weeks also has been sickening. Law abiding firearms owners have been scapegoated for the actions of the acts of those terrorists, knee jerk reaction's, no evidence base policy.

I do support some changes in firearms act in the ACT, but I do NOT support firearms owners being sold out for politics.

Thanks

Sam
