

LEGISLATIVE ASSEMBLY FOR THE AUSTRALIAN CAPITAL TERRITORY

STANDING COMMITTEE ON PLANNING AND ENVIRONMENT

Mrs Vicki Dunne MLA, Ms Katy Gallagher MLA, Mrs Helen Cross MLA & Ms Roslyn Dundas MLA

Report No.11

Draft Variation No. 213 to the Territory Plan

Kingston Group Centre

Correction of formal errors

This draft variation has been referred to the committee pursuant to section 25 of the *Land (Planning and Environment) Act 1991*. The purpose of the variation is to correct a mistake in the block and section numbers used to identify an area in the Kingston Group Centre in variation 158.

Because the variation deals with a formal, clerical, error it has been exempted by the ACT executive from the public consultation requirements of the Land Act.

The text of variation 158 describes the area to which the block and section numbers should apply. It is clear that the numbers used are wrong and that this draft variation includes the correct designations.

The committee recommends to the Legislative Assembly that draft variation 213 be approved.
