Re: I am an ACT resident, here is my submission to the inquiry

Dear Secretary,

I object to State assisted suicide & euthanasia of any kind. There are no safeguards that can be invented to prevent mis-management of what is actually assisted murder. The Hippocratic Oath that has guided doctors for over 2000 years, states "I will use treatment to help the sick according to my ability and judgment, but never with a view to injury and wrong-doing. Neither will I administer a poison to anybody when asked to do so, nor will I suggest such a course." As stated by AMA this is a breach of trust that patients and all citizens have in the medical profession. The State should not interfere in this matter

Sincerely,
Wesley Gates
