Re: I am an ACT resident, here is my submission to the inquiry

Dear Secretary,

Human life is precious and sacred. Only God has the right to choose the cessation of life in this world. All medical care and application must remain solely purposed to sustain life, help recover from injury or illness, and ease pain. Anything that is designed to end life ahead of natural death, whilst perhaps intended to cease pain and suffering, is not right and just against God's natural law and the master commandment of love for God and love for brother or sister.

Sincerely,  
Christopher Crowley
